Love Your Neighbor 2010

Last summer my family had the privilege of participating in the **Love Your Neighbor** week here at Ogletown. Although this event was organized by Student Ministry, people of all ages joined together to reach out and share the love of Jesus with our community. My family was involved in painting at Camby Park. Each day we headed out to the park and worked on painting fences and swings. We had the opportunity to meet people at the park where we were able to share both physically and spiritually. Other ways that people served includ-

ed: helping to prepare meals, working with Urban Promise, meeting at the church to pray, and prayer walking around the work sites. We all met together at the end of the day and spent time in a worship service, sharing with one another the things that God showed us or ways He used us that day.

Our family did not know what to expect from that week when we started, but we were amazed at all that the Lord taught us. It was a blessing to see how He brought us together as a church group and the way we were used to help reach the local community here in Delaware. Our family would encourage each of you, no matter what age group you may fall into, to be a part of **Love Your Neighbor** week this Aug. 2-5. God will truly bless you for your service and you will be glad that you took this opportunity to serve Him.
