

Summer in GreenRoom looks a little different during the upcoming months...

but you'll still find students in the GreenRoom every Sunday morning after the first service. As graduating High Schoolers make their way upstairs, and college students who attend schools out of state make their way back for the summer, the group regularly attending on Sunday mornings has some new faces in it.

What's on the agenda for Summer?

SUNDAYS: We're taking a different approach to the curriculum taught and discussed each week, shifting from a continuing series, to a week-by-week lesson structure.

WEEKDAYS: We have started a Girl's Bible/Book Study held on Wednesday evenings at 7:00 p.m. at Katie Hall's home. Graduating High School seniors through students who have just completed college this spring are welcome to join this book discussion! We will be going through Beth Moore's book, "So Long, Insecurity" throughout the summer.

For directions to Katie's home, or more information on this study or on GreenRoom's other summer plans, please contact Katie Hall (khal@ogletown.org).

SCOUTS

Troop 316 has come to the end of another scouting year. Our Thursday night scout meetings in the OEX will resume in September!

Summer Camp is July 4-10 at a Camp in North Carolina. Please lift our boys and leaders up in prayer.

PLAY GROUP is back...

Every Wednesday from 10:00 a.m. - 12:00 p.m.

Preschool moms, bring your little ones to our cool playroom in the Zone and let them have fun. This will give you a chance to chat with other moms while the preschoolers play. This is a great time to get out of the house as well as to be with other moms.

News from the Exchange

Please be sure to be praying for the mission teams coming this summer July 11 – 23.

Also, consider participating in the Love Your Neighbor Cooperative August 2-5 and pray for those working and ministering in Jesus name.

It certainly is an exciting time for Ogletown to reach our friends and neighbors for Christ.
